

## Our Diverse Staff

*We Speak Over 10 Languages!*

In response to the ethnic and social characteristics of our neighborhood, many of our employees are bi-lingual and are understanding of the unique wishes of our clients. Our staff has been trained to listen closely and to gain an understanding of the particular requirements needed to provide services tailored to meet the needs of our population.

## What is CDPAP?

You now have the choice to direct your own care by choosing a caregiver you're familiar with.

CDPAP – Consumer Directed Personal Assistance Program is an alternative to traditional home care. This Medicaid based, self-managed care system gives you the opportunity to have a family member, friend or neighbor take care of you.

## Benefits of the CDPAP Program

### INDEPENDENCE

Be the employer: hire, train and supervise your own Personal Assistant.

### FAMILY VALUES

Hire someone who understands what is important to you without requiring a special certification.

### EMPOWERMENT

Personal Assistants are directed by you, for you.

### FLEXIBILITY

Choose to have authorized services at the time & day that works best for you

### CULTURE

Receive care from within your own community, from someone who understands your culture.
